

A COOL PLACE TO EAT...

This diner is a circa 1952 Mountain View Diner Vin. #446. It was saved from demolition and moved from Wayne, Pennsylvania to Buffalo in 2001. Restored and equipped with a modern state of the art kitchen and knowledgeable and passionate staff, the Lake Effect continues to humbly serve wholesome and fresh locally procured ingredients prepared the way they should be.....from scratch! From field to fork, our facility makes artisanal fresh, cured and smoked meats. Eggs are delivered from the Kreher Family Farm right up the road. All bread is baked fresh in house daily.
